STATEMENT OF THE SUBSTANCE OF THE EXAMINER INTERVIEW

Sir:

This is a Statement of the Substance of the Examiner Interview, which took place on May 16, 2008, in the above-identified application. Entry of this Statement of the

Substance of the Examiner Interview is respectfully requested.

Claim 43 was discussed. The prior art discussed was Joao, et al., U.S. Patent No. 7,096,003 (Joao '003). Applicant presented a reasoned analysis as to why Joao '003 did not meet the claim limitations of the present invention as defined by independent Claim 43. Further, Applicant addressed the 35 USC 112 issues and addressed why Claim 43 is proper in its present form. The Examiner indicated that the Applicant's analysis regarding both issues appeared convincing, but will be further addressed upon submission of a formal amendment.

Entry of this Statement of the Substance of the Examiner Interview is respectfully requested.

Respectfully Submitted,

Raymond A. Joao
